All i want is your understanding,  
As in the small act of affection.

Why is this my life?  
is almost everybodys question

(chorus)  
and i've tried every thing but suicide  
but its crossed my mind

i prefer peace  
wouldn't have to have one wordly possession

but essentialy im an animal  
so what do i do with all the aggression

(chorus)  
well, ive tried everything but suicide  
but its crossed my mind

life is one way street, hey if you can paint it  
i'd draw myself going in the right direction

so i go all the way  
like i really really know what the truth is

im only guessin

(chorus)  
and ive tried everything but suicide  
ohhh but its crossed my mind  
just a thought

its even dark in the daytime  
its not just good, its Great Depression

when i was lost i even found myself  
looking in the guns direction

(chorus)  
and so ive tried everything but suicide  
but yes, its crossed my mind

but im fine
