Cant believe Im running into you  
Haven't seen you since the days of high school  
Youre the one who always got away  
Man this must be my lucky day  
Girl, you're looking as fine as ever  
How I wish that we could be together  
So heres what Im gonna do  
Ima have to say goodbye to you  
So go, Im not beggin you to stay  
Cus I got this funny feelin I'll be seeing you someday  
That's right go, Im telling you to walk away  
Cus I know somewhere down the line I'll be, I'll be  
seeing you babe  
Now you're looking at me funny, baby I aint messin  
Call your daddy let me ask him for his blessin  
Cus next time we meet well be on different grounds  
Need a church, dress, tux, and some wedding vows  
Singing: Here comes the bride (so beautiful)  
All dressed in white  
Now, go Im not beggin you to stay  
Cus I got this funny feelin I'll be seeing you someday  
That's right go, Im telling you to walk away  
Cus I know somewhere down the line I'll be, I'll be  
seeing you babe  
Cus I know this might seem crazy, leaving you babe  
when there's so much more to say  
But when the heavens decide to give us a try well be  
starting a family  
Oh And Im thinkin two babies, Josh and Kailie, and a  
house upon the bay  
Well be best of friends, til the end, and baby Ima  
promise Ima see you again  
So go, Im not beggin you to stay  
Cus I got this funny feelin I'll be seeing you someday  
That's right go, Im telling you to walk away  
Cus I know somewhere down the line I'll be, I'll be  
seeing you babe  
I can't believe it (repeating)  
When I find you again I'll never let you go
