I know you want me:  
Time and time again  
You stand there with your friends pretend  
That you don't notice me  
Well it's not the time for lies  
I see it in your eyes disguise  
A secret you can't keep  
That I know you want me (I know you want)  
I know you want me (I know you want)  
I know you want me (I know you want to go)  
That I know you want me (I know you want)  
I know you want me (I know you want)  
I know you want (I know you want to go)  
Try and try again  
The signals you intend to send  
Are never what they seem  
Well it's not the time to cry  
So keep your cool and I will buy  
The secret you can't keep (secret you can't keep)  
That I know you want me (I know you want)  
I know you want me (I know you want)

I know you want me (I know you want to go)  
That I know you want me (I know you want)  
I know you want me (I know you want)  
I know you want (I know you want to go)  
That I know you want me  
I know you want me  
I know you want me  
That I know you want me  
I know you want me  
I know you want me  
That I know you want me (I know you want)  
I know you want me (I know you want)  
I know you want (I know you want) I know you want  
That I know you want me (I know you want)  
I know you want me (I know you want)  
I know you want me (I know you want to go)  
That I know you want me (I know you want)  
I know you want me (I know you want)  
I know you want (I know you want to go)
