If I should be on your trail
Would you turn around
Be a friend of mine
'Cause if you'd seen the truth
I'd be a fool
Not to follow you

'Cause you are the only one
Who can prove I'm wrong
Who can prove I'm wrong
'Cause you are the only one
Who can prove I'm wrong
Who can prove I'm wrong

How can I trust you?
'Cause every time I do
There's always another point of view
So tell me what to do

'Cause you are the only one
Who can prove I'm wrong
Who can prove I'm wrong
'Cause you are the only one
Who can prove I'm wrong
Who can prove I'm wrong
