There I a place I know
Where the children play and the flowers grow
It's even greater then my mind can see
Way past the clear blue sky
Where the people laugh and they never cry
There's even a perfect place there just for me

But I'll never get there on my own
Only though God alone, and we'll be singin'...

A-la-la-leluia, A-la-la-laleluia
A-la-la-leluia to the King of Kings
A-la-la-leluia, A-la-la-laleluia
A-la-la-leluia let our praises ring

At times I must admit it's easy to forget
This life I'm livin' now is not the end
Heaven has so much more, I wonder what's in store?
It's hard for me to even comprehend

But I'll never get there on my own
Only though God alone, and we'll be singin'...

A-la-la-leluia, A-la-la-laleluia
A-la-la-leluia to the King of Kings
A-la-la-leluia, A-la-la-laleluia
A-la-la-leluia let our praises ring

The time will come for everyone
To answer for the things we've done
And though our sin is plain to see
Through the blood of Jesus we can be free

A-la-la-leluia, A-la-la-laleluia
A-la-la-leluia to the King of Kings
A-la-la-leluia, A-la-la-laleluia
A-la-la-leluia let our praises ring

A-la-la-leluia, A-la-la-laleluia
A-la-la-leluia to the King of Kings
A-la-la-leluia, A-la-la-laleluia
A-la-la-leluia let our praises ring
