My house burned down
In a pile of smoke
I lost my job
And now I'm broke
But I'm alright
I'm feeling alright

My dog ran away
Never said goodbye
My car won't start
And I don't know why
But I'm alright
I'm feeling alright

(So don't get down
By your circumstance)
Just let 'em go
(Get up and dance)
Cuz you're alright
You're feeling alright

See the sparrow
In the air
Not a worry
Not a care

(You're feeling alright)
(2x)

That is how
I need to be
My Father will
Take care of me

My lava lamp
Went up in flame
My girlfriend done
Forgot my name
That's alright
That's alright

I'm singing this song
In the key of "A"
I'm out of tune
But that's okay
Cuz I'm alright
I'm alright

(So don't get down
By your circumstance)
Just let 'em go
(Get up and dance)
Cuz you're alright
You're alright

See the sparrow
In the air
Not a worry
Not a care

(You're feeling alright)
(2x)

That is how
I need to be
My Father will
Take care of me

(I'm feeling alright)
(2x)

See the sparrow
In the air
Not a worry
Not a care

That is how
I need to be
My Father will
Take care of me

(Put your hands up
Put your hands up)
(3x)

(If you're feeling alright
Throw your hands up)

(Put your hands up
Put your hands up)
(3x)

(If you're feeling alright
Throw your hands up)

Another boy band?
Not a chance!
(We sing for real)
And we can't dance
And we're alright
We're feeling alright

I wrote this song
I did my best
They like the chorus
But they hate the rest
But that's alright
I'm feeling alright

(So don't get down
By your circumstance)
Just let 'em go
(Get up and dance)
Cuz you're alright
You're feeling alright

See the sparrow
In the air
Not a worry
Not a care

(You're feeling alright)
(2x)

That is how
I need to be
My Father will
Take care of me

(I'm feeling alright)
(2x)

See the sparrow
In the air
Not a worry
Not a care

That is how
I need to be
My Father will
Take care of me
