Come on, pretty baby
Put your little hand in mine
Things are shakin' on the dance floor
Everybody's feeling fine

Don't waste another minute
Just step into the light
Come on
And dance with me tonight

Tell your momma that you're leaving
Tell your daddy that we're gone
Tell everyone in Michigan
There's a party going on

Now move a little closer
And let me hold you tight
Come on
And dance with me tonight

(Come on)
Come on
There's a party going on

(Come on)
Come on
We'll be walking till dawn

(Come on)
Come on
And let me sweep you off your feet
Come on, pretty baby
Won't you dance with me?

(Come on
Dance with me?
Dance with me?)

Tell your momma that you're leaving
Tell your daddy that we're gone
Tell everyone in Michigan

There's a party going on
And on, and on, and on, and on

Now move a little closer
And let me hold you tight
Come on
And dance with me tonight

Come on
(Come on, pretty baby)
Come on

Come on
(Come on, pretty darling)
Come on

So just move a little closer
And let me hold you tight
Come on
And dance with me tonight
Come on...
