(Don't, don't,
Don't you know?)
(4x)

In the morning
I get up
At night
I go to bed
What goes on in between
Is what bothers my head

My mind knows what to do
What it does is not the same
I gotta get my eyes on you
If I wanna end this game

I try to do what's right
I end up doing' wrong
Every day is just another verse
In my sinful song
So I give my life to You
Do what You wanna do with me
We'll sing the next verse
In my song in perfect harmony

Don't, don't,
Don't you know?
There's only one way to go
Don't, don't,
Don't you know?
You got to look to heaven

People that are fake
Well, they really make me sick
And I'd rather be dead
Than to be a hypocrite
Well I know they're watching me
I wish I was a perfect man
But I'll never, ever be
So I'll do the best I can

And If I had a dime
For everything I did
To make you shake your head
I'd be a wealthy kid
So when people see me fall
Like I tend to do
I pray they see past me
And somehow look to You

Don't, don't,
Don't you know?
There's only one way to go
Don't, don't,
Don't you know?
You got to look to heaven

Don't, don't,
Don't you know?
There's only one way to go
Don't, don't,
Don't you know?

(Don't, don't,
Don't you know?)
