You're with me
I'm still not sure how
All I know
Is that I'm here with you now
Every day
Is a treasure, I know
So, I'll hold onto you
'Til I have to let you go

Every day I leave behind
A piece of me
That I may never find again

So today I'll give you
The best of me
'Cuz you never know
When we might see
The end of our time together

Every minute with you
Means more to me
Than all of the gold
That I'll ever see
And our memories
Will forever and always be
(You will find them in...)
In a happy, little corner
Of my heart

Days go by
Way too fast
What's perfect one minute
Is quickly the past
What will come
We just don't know
So I'll hold on to you
Until I have to let you go

Every day I leave behind
A piece of me
That I may never find again

So today I'll give you
The best of me
'Cuz you never know
When we might see
The end of our time together

Every minute with you
Means more to me
Than all of the gold
I'll ever see
And our memories
Will forever and always be
(You will find them in...)
In a happy, little corner
Of my heart

Chances are
There will come a day
When life
Won't always be this way
And I don't want to look back
And regret
All the things I didn't say

Every day I leave behind
A piece of me
That I may never find again

So today I'll give you
The best of me
'Cuz you never know
When we might see
The end of our time together

Every minute with you
Means more to me
Than all of the gold
I'll ever see
And our memories
Will forever and always be
(You will find them in...)
In a happy, little corner
Of my heart

In a happy, little corner
Of my heart
