Are you ready to go?
(Are you ready to go?)
Are you ready to go now?
Are you ready to go?
Are you ready to go fish?

Are you ready to go?
(Are you ready to go?)
Are you ready to go?
Are you ready to go?
Are you ready to go fish?

Are you ready to go?
(Are you ready to go?)
Are you ready to go now?
Are you ready to go?
Are you ready to go fish?

(Come on, y'all
Now let's go listen
We'll meet "Go Fish"
And we're gonna go fishin'
Not the kinda fishin'
That you do in a river
Cause the good news
Is the message they deliver)

I will make you fishers of men
If you follow Me...

(Go Fish, Go Fish, Go Fish...)
