Joyful, joyful
We adore Thee
God of Glory
Lord of Love
Little baby
Here among us
Sent to earth
From God above

Melt the clouds
Of sin and sadness
Drive the dark
Of doubt away
Giver of immortal gladness
Fill us with the light of day

All Thy works
With joy surround Thee
The earth and heaven
Reflect Thy grace
Stars and angels
Sing around Thee
Center of unbroken praise

Field and forest
Hill and mountain
Flowery meadow
Crashing sea
Singing bird
And flowing fountain
Call us to rejoice in Thee

These tiny hands
Created everything
These eyes have seen eternity

These little ears
Have heard the angels sing
This little baby
Is there to rescue me

Joyful, joyful
We adore Thee
God of Glory
Lord of Love
Little baby
Here among us
Sent to earth
From God above

Field and forest
Hill and mountain
Flowery meadow
Crashing sea
Singing bird
And flowing fountain
Call us to rejoice in Thee

We rejoice in Thee
Yes, we do

Oooo
