"Jump"

Everybody gather around
It's time to lift God up
And for us to get down

Everywhere you look
People moving around
It's hard to resist
When you hear the sound

All the music
(Yeah...)
All the praises
(Yeah...)
All the voices
(Yeah...)
So everybody, everybody....

Jump!
Get your hands up high!
Jump!
Reaching for the sky!
Jump!
We're gonna have a good time!
Everybody, everybody...

Jump!
Look what we've got going
Jump!
Every girl and boy
Jump!
The beat is pumpin'
Everybody jumpin'
Come on and let's
Jump!

Don't be shy
Bring all of your friends
To hear that God is great
And His love never ends

If you're looking for the truth

And you know you need grace
God's word is alive

In our music
(Yeah...)
In our praises
(Yeah...)
In our voices
(Yeah...)
So everybody, everybody....

Jump!
Get your hands up high!
Jump!
Reaching for the sky!
Jump!
We're gonna have a good time!
Everybody, everybody...

Jump!
Look what we've got going
Jump!
Every girl and boy
Jump!
The beat is pumpin'
Everybody jumpin'
Come on and let's
Jump!

Everybody goin' crazy
Gettin' down with Pray-Z
Don't be lyin' there lazy
You can do this
Watch me:

Take a step to the right
Bring it back with a slide
Throw your hands up high
Spin around
We can do this all night

Take a step back
And wait
Shake it to the beat
Like a dancin' machine
Stomp your feet
And make the room go, "thunk!"
Everybody get up
And jump

Now let me tell you how it is:

Now grab a rope
And swing it around
Gotta keep in step
Or you're gonna fall down
Gotta read God's word
And pray, pray, pray
Gotta keep in step
And you'll be on your way

Turn up the music
(Yeah...)
Lift up your praises
(Yeah...)
Let's hear your voices
(Yeah...)
So everybody, everybody....

Jump!
Get your hands up high!
Jump!
Reaching for the sky!
Jump!
We're gonna have a good time!
Everybody, everybody...

Jump!
Look what we've got going
Jump!
Every girl and boy
Jump!
The beat is pumpin'
Everybody, everybody...

Jump!
We are not ashamed
Jump!
Lifting high God's name
Jump!
We're gonna have a good time
Everybody, everybody...

Jump!
We want the world see
Jump!
Jesus set me free
Jump!
The beat is pumpin'
Everybody's jumpin'
Come on and let's
Jump!

Let's jump!

(Yeah...)
