I know exactly what I want  
Just afraid that I might get it  
They say, "be careful what you wish for"  
So pay attention to what you're doing  
Don't forget it

Don't forget  
I like to dream big  
That's the way I am  
I just don't wanna dream  
My way out of Your plan

Sometimes I just wish  
You'd write me a letter  
And tell me what to do

I guess that  
It wouldn't make it any better  
I gotta have my freedom  
If I wanna give it up to You

Look at me softly  
What do You see?  
Hopefully someone  
Trying to be  
A little more like You  
And less like me  
I made my choice today to live  
My life belongs to Jesus

There's a basket  
Where all of my eggs lay  
It's in Your name  
That's where there'll stay

Gotta go in head first  
Going all the way  
Lukewarm is a word  
I hope I never hear You say

Fly me over the ocean

Or send me to my room  
I just don't care

God help me  
Set me in motion  
I'm giving it You  
Everything I am

Look at me softly  
What do You see?  
Hopefully someone  
Trying to be  
A little more like You  
And less like me  
I made my choice today to live  
My life belongs to Jesus

You are  
The reason that I'm living  
You are  
My hope for tomorrow  
You are  
The reason I'm forgive  
You are  
My life  
Give it all up to You

Look at me softly  
What do You see?  
Hopefully someone  
Trying to be  
A little more like You  
And less like me  
I made my choice today to live  
My life belongs to Jesus

I made my choice

My life belongs to Jesus
