I am what I am and that's all that I am  
You can love me, you can hate me  
I do what I do and you haven't got a clue  
Cuz you don't see what I see  
You can write what you write you can say what you want  
But you should know it doesn't matter  
I have an audience of one and you're not Him  
So good luck with all your chatter (you're the expert  
chatter)

CHORUS

Please, please like me  
I don't think so  
My God made me who I am  
Please, please like me  
I don't think so

Im gonna stay true to who I am  
One day you're this and another day you're that  
Like a bed your mind should be made  
Don't try to be like anyone, cuz they're not you  
And authenticity will not fade

CHORUS

BRIDGE

So will you like me  
If I play the game and don't push your envelope?  
So will you praise me  
If I play it safe and don't rock your little boat?  
Will you like me  
If you get past you and look at who I am?  
I wish you'd see me  
As a follower of God's one of a kind plan  
I don't mind if you think I'm wrong  
I still know why I sing my song  
You can push and pull as hard as you can  
I'm on a mission and I will stand
