Ten Commandment Boogie

(The ten commandment boogie) 1-2-3-4 (the ten  
commandment boogie)-5-6-7-8-9-10- whoo

It's the ten commandment boogie, gonna dance until I  
die

Ten commandment boogie, you can do so it so can I  
If you follow it through, you'll be amazed what you can  
do

So get your groove on with us tonight  
We'll do the ten commandment boogie, the boogie, the  
ten commandment boogie

Number one - no other God but the One who is true  
Don't worship any other, that's commandment two.  
Number three- use the name of God only with respect  
Number Four - on Sunday take a rest  
We're half way through with one that's just for you -  
Listen to your mom and dad 'cause what they say you  
gotta do

It's the ten commandment boogie, gonna dance until I  
die

Ten commandment boogie, you can do it so can I  
If you follow it through, you'll be amazed what you can  
do

So get your groove on with us tonight  
We'll do the ten commandment boogie, the boogie, the  
ten commandment boogie

Number six don't ever take somebody's life  
Seven feels like heaven but only with your husband or  
wife

Number eight is great along with number nine - don't  
steal from others and don't ever lie

And if your friend has something that you think is cool  
don't ever wish that it was yours and that's the final  
rule

In the ten commandment boogie, gonna dance until I  
die

Tell everybody - you can do it so can I

If you follow it through, you'll be amazed what you can do  
So get your groove on with us tonight  
We'll do the ten commandment boogie, the boogie, the ten commandment boogie

Do the boogie, the boogie, the ten commandment boogie (I wanna see you do the boogie)  
Do the boogie, the boogie, the ten commandment boogie  
It's the boogie, the boogie, the ten commandment boogie

Some people say that I'm old fashioned for believing in God's rules  
They're just fools (they're just fools)  
But the B-I-B-L-E, yeah that's the book for me  
And it's full of unbelievable tools

Just like the ten commandment boogie, gonna dance until I die  
Ten commandment boogie, you can do it so can I  
If you follow it through, you'll be amazed what you can do  
So get your groove on with us tonight we'll do the ten commandment boogie,  
Ten commandment boogie, gonna dance until I die  
Ten commandment boogie, you can do it so can I  
If you follow it through, you'll be amazed what you can do  
So get your groove on with us tonight  
We'll do the ten commandment boogie, the boogie, the ten commandment boogie
