You're always thinking
About what to say and what to do
But what's more important
To stay honest or to stay true?

I can't see you
Where are you now?
Do you still believe?
Or did you give up?

Changing ideals
As if they mean nothing
Once again you've turned your back
On what once meant everything to us

I can't see you
Where are you now?
Do you still believe?
Or did you give up?

Do you still believe?
Do you still have some dreams?
Did you move on?
Or did you sell out?

I can't see you
Where are you now?
