all alone am i ever since your goodbye
all aone with just a beat of my heart
people all around but i dont hear no sound
just the lonely beating of my heart
no use in holding other hands
for id be holding only emptiness
no use in kissing other lips
for id be thinking just of your caress
all alone i am ever since your goodbye
all alone with just a beat of my heart
people all around but i dont hear a sound
just the lonelt beating of my heart
people all around but i dont heat a sound

just the lonely beating of my heart
no other voice can say the words
my heart must hear to ever sing again
the words you used to whisper low
no other love can ever bring again
all alone am i ever since your goodbye
all alone with just a beat of my heart
people all around but i dot hear a sound
just the lonely beating of my heart
