Here's the number to call if you want my lovin'  
Number to call if you want your turtle love  
Number I'll be waitin' all night long,  
Just a waitin' for you to phone...BIGELOW 6-200

What's the matter, what's the matter why don't you call  
Don't ya love me baby a more at all?  
Just a waitin' her baby not doin' a thing  
Just a waitin' for the dog gone phone to ring...BIGELOW  
6-200

Well, baby dial my number, you said you would phone  
I'm so broken hearted, please don't wait too long  
Well, I'm sorry baby that we had a fight,  
And you left me the other night  
Well if the phone don't ring in a minute or two  
I think pretty baby that Ill call you...BIGELOW 6-200

Well, baby dial my number, you said you would phone  
I'm so broken hearted, please don't wait too long  
Well, I'm sorry baby that we had a fight,  
And you left me the other night
