(Barry Stuart)

Let me tell you 'bout the birds and the bees
And the flowers and the trees
And the moon up above
And a thing called love.

Let me tell ya 'bout the stars in the sky
And a girl and a guy
And the way they could kiss
On a night like this.

When I looked into your big brown eyes
It was very plain to see
That it's time you learned about the facts of life
Starting from A to Z.

Let me tell you 'bout the birds and the bees
And the flowers and the trees
And the moon up above
And a thing called love.

When I looked into your big brown eyes
It was very plain to see
That it's time you learned about the facts of life
Starting from A to Z.

Let me tell you 'bout the birds and the bees
And the flowers and the trees
And the moon up above
And a thing called love.

Let me tell you 'bout the birds and the bees
And the flowers and the trees
And the birds and the bees
And the flowers and the trees
'Bout the birds and the bees...
