Break it... to me gently  
Let me down... the easy way  
Make me feel... you still love me  
If it's just... just for one more day

Break it... to me gently  
So my tears my tears won't fall... too fast  
If you must go... then go slowly  
Let me love you... 'til the last

The love we shared... for oh so long  
Is such a big part of me.  
If you must take... your love away  
Take it gradually.

And break it... to me gently  
Give me time... oh give me a little time to ease the pain  
If you must go... then go slowly  
Cos I'll never... love again

If you must take... your love away  
Take it gradually...

And break it... to me gently  
Give me time... oh give me a little time to ease the pain  
Love me just a little longer  
Cause I'll never never love again  
Cause I'll never love... never love again.
