I've been blinded, by my feelings,
Self pity and sorrow was all I could see
Tears I was crying,
Kept me from seeing, I didn't love
That man as much as he loved me
Looking for excuses and other reasons,
To keep myself in a constant doubt
After all my searching and undo hurting.
I nearly lost the only good thing I ever found

Bring on the sunshine,
Take away the rain.
Bring on the sunshine,
My baby's coming home again
Take away the grey skies,
Hello love of mine
Happy days are coming my way,
Bring on the sunshine

No more sorrow is going to find me
I have made my last mistake
And once I get him, right here beside me
I'm gonna give him all the love he'd care to take

Bring on the sunshine,
Take away the rain
Bring on the sunshine,
My baby's coming home again
Take away the grey skies,
Hello love of mine
Happy days are coming my way,
Bring on the sunshine

Bring on the sunshine,
Take away the rain
Bring on the sunshine,
My baby's coming home again
Take away the grey skies,
Hello love of mine
Happy days are coming my way,
Bring on the sunshine

Bring on the sunshine,
Take away the rain.
Bring on the sunshine,
My baby's coming home again
Take away the grey skies,
Hello love of mine
Happy days are coming my way,
Bring on the sunshine
