(H.Peretti - L.Creatore - G.Weiss)

Wise men say only fools rush in
But I can't help falling in love with you
Shall I stay?
Would it be a sin
If I can't help falling in love with you ?

Like a river flows surely to the sea
Darling so it goes
Something's, something's are meant to be

So would you take my hand, take my whole life too
Because I can't help falling love with you

I can't help myself from falling in love
Falling in love with you
