(Al Hoffman - J. Livingston - C. Lampi)

Close to you
I will always stay
Close to you
Though you're far away
You'll always be near
As though you were here
By my side, no matter where
In my dreams, I'll find you there

Close, close to me sharing your caress
Oh darling, can't you see, can't you see
You're my happiness, whenever you go
My heart will go, too
What else can I do, it only wants to be
Be close to you

I said that wherever you go
Mm my heart, my heart will go, too
Because I only want to be
Mm, close to you
I only want to be
I wanna be close to you
