Dear heart, wish you were here  
To warm this night  
My dear heart, seems like a year  
Since you've been out of my sight

A single room, a table for one  
It's a lonesome town all right  
But soon I'll kiss you hello  
At our front door  
And dear heart, I want you to know  
I'll leave your arms nevermore

(A single room, a table for one)  
(It's a lonesome town all right)  
But soon I'll kiss you hello  
At our front door  
And dear heart, I want you to know  
I'll leave your arms nevermore
