(John Cameron)

Look at what life use to be  
Days of grey monogamy  
Look at what it's now become  
See what the new look has done  
Each day is a rainbow  
Each night is a tumble for me in sunlight  
Each kiss is a revelation  
Take a look at with your love has done to me.

Once my skies were filled with clouds  
I lived my life like anyone  
Look at how my life has changed  
See the sun come out again  
Each day is a rainbow  
Each night is a tumble for me in the sunlight  
Each kiss is a revelation  
Don't you know what your love has done to me.

Each day I fall in love again with you  
Each day I love to bring to us something new  
Something new  
Each day is a rainbow  
And each night is a tumble in sunlight  
Each kiss is a revelation, oh  
Can't you see what your love has done to me  
Each day is a rainbow, our love is a rainbow.

Each day is a rainbow, ooh...
