Why did I listen to my friends?  
When they told me what to do  
Yes, I still have my friends  
But I don't have you

And like true friends  
They still come around  
And say, "I'm sorry you're blue"  
Oh, everybody loves me but you

My friends don't know what they've done  
And well, they wouldn't understand anyhow  
I can't tell them they were wrong

'Cause I'm afraid they'll leave me, too  
Now, it's funny but more than ever  
I need them now

I still ask my friends what to do  
But it seems they don't know  
How to bring, how to bring you back  
They say, "What made him go?"

Yes, like true friends  
They still come around  
And say, "I'm sorry you're blue"  
Oh, everybody loves me but you
