EVERYBODY'S REACHING OUT FOR SOMEONE

Writers Dickey Lee, Allen Reynolds

Ev'rybody's reaching out for someone  
Er'rybody's knocking at some door  
And long before I ever found you  
You're the one that I was reaching for  
Just like the trees along the river bend  
Lift up their branches to the sun above  
We spend our life times reaching for a friend  
'Cause ev'rybody needs someone to love  
I've wanted you since the day my life began  
I heard your footsteps running just beyond my mind  
Ever since that moment I've been reaching for your  
hand  
Hoping you'd be reaching out for mine
