There was a little boy I had planned to marry
This was my love I didn't want to share it
I thought the love would make my love bright and
sunny
He said he couldn't love cause he didn't have no
money.

Everyday I have to cry some
Everyday I have to cry some
dry the water from my eyes some
Everyday I have to cry.

I had me a boy, I guess I really loved him
Every night I have to cry- thinking of him
But you can't mix love and money
'Cause if you do it's going to hurt somebody.

Everyday I have to cry some
Everyday I have to cry some
dry the water from my eyes some
Everyday I have to cry.

Lord, I know that he's just a fool now
But is it wrong to love if he ain't fit now
Every time you mix love with money
Every time you know it hurts somebody.

Everyday I have to cry some
Everyday I have to cry some
Dry the water from my eyes some
Everyday I have to cry.

Everyday I have to cry some
Everyday I have to cry some
Dry the water from my eyes some
Everyday I have to cry...
