Feelings  
Nothing more than feeling  
Trying to forget my  
My feelings of love.

Teardrops rolling down on my face  
Trying to forget my, my feelings of love  
Feelings for all my life of feelings  
I wish I never met you, boy  
You'll never come again  
Oh feeling, oh, oh, feelings  
Oh, I feel such feelings again in my heart.

Feelings  
Feelings like I never lost you  
And feelings like I never had you in my life  
Oh, feelings  
For all my life of feelings  
Oh, Lord, I wish I never seen you, boy  
'Cause I know you'll never come again.

Oh feelings  
Nothing more than feeling  
Oh trying, trying to forget  
My feelings of love.

Oh, feelings  
Oh, such feelings  
Oh, I feel such feelings again in my heart  
Oh, feelings again in my heart...
