Am I fool number one or am I fool number two
How many other girls have been fooled by you
I suppose that the number is far from being small
And I'll guess that I'm the biggest fool of all

If I had the chance I guess I'd do it all again
I'd go down the same old road even even knowing at
the end
You'll leave me when your heart hears a new love call
So I'll guess that I'm the biggest fool of all
Am I fool number one or am I fool number two
How many other girls have been fooled by you
I suppose that the number is far from being small
And I'll guess that I'm the biggest fool of all
