Am I fool number one or am I fool number two  
How many other girls have been fooled by you  
I suppose that the number is far from being small  
And I'll guess that I'm the biggest fool of all

If I had the chance I guess I'd do it all again  
I'd go down the same old road even even knowing at  
the end  
You'll leave me when your heart hears a new love call  
So I'll guess that I'm the biggest fool of all

Am I fool number one or am I fool number two  
How many other girls have been fooled by you  
I suppose that the number is far from being small  
And I'll guess that I'm the biggest fool of all
