(J.DeShannon / S.Sheeley)

Here I stand, heart in hand.
Looking like a fool, left behind by you
There was I, so starry eyed
I couldn't see, that you didn't didn't love me
Yes, I was the last one,
I the very last one to know. Ah
I was believing that you were deceiving
And now as my tears flow

Oh, here I stand. Heart in hand
Looking like a fool-left behind by you

Here I stand. I've got my heart in my hand.

Looking like a fool left behind by you
