(Reggie Young - Red Williams)

My life was cold and you came and warmed my soul  
I need you everyday to stop my loneliness  
In you I see everything that's good for me

Goodbye, misery, Hello, Love  
I ain't believing this wonderful feeling  
That I'm receiving when I touch your hand

And now I see what a happy thing it can be  
Goodbye, misery, Hello, Love

No, I ain't believing this wonderful feeling  
That I'm receiving when I touch your sweet head

Oh, now, now I see what a happy thing it can be  
Goodbye, misery, Hello, Love

Hello, Love you know I'm glad to see you  
Goodbye, misery, Hello, Love  
To stop my loneliness  
Hello, Love
