(S.K. Dobbins)

You tell me how he was when you once knew him
He played his game with many women friends
You tell me that you don't think I'd be with him
If I could have known him way back then

You ask me why I don't pack up and leave him
Now that I know his wicked ways
Well' I doubt that you could understand my thinking
Well listen close to what I have to say

He's the rock that I lean on
He's the sunshine of my day
I don't care what you say about him
He took me and made me everything I am today
He's my rock and I ain't gonna throw him away

You say he wasn't always what he is now
He had to make mistakes like everybody else
Well don't you point your finger at nobody
It's plain to see you ain't no Saint yourself

He's the rock that I lean on
He's the sunshine of my day
I don't care what you say about him no I do not
Because He took me and made me the woman I am
today
He's my rock and I ain't gonna throw him away
Yes he's my rock and I ain't gonna throw him away
Yes he's my rock and I ain't gonna throw him away
