(Do Do Do Do) (Do Do Do Do)  
I'm just walking along mmmm  
Hummin' a tune cause I'm blue  
I can't sleep a wink, and I do nothing but think  
I'm humming the blues over you  
(mmmm do do do do)

I'm so lost in the world of sad dreams,  
Dreams that didn't come true  
You took back your heart and my world fell apart  
Now I'm hummin' the blues over you  
(mmmm do do do do)

I don't even know what day it is  
And what's more I don't care  
All I know is I'm lost without you  
And I'm silently saying a prayer  
Well I'm walking along mmmm  
Hummin' the blues over you

I'm praying you'll return  
And say your lesson you learned  
Cause you been hummin' the blues for me too  
(mmmm do do do do)

I don't even know what day it is  
And what's more I don't care  
All I know is I'm lost without you  
And I'm silently saying a prayer  
Well, I'm walking along mmmm  
Hummin' the blues over you  
I'm praying you return  
And say your lesson you learned  
Cause you been hummin' the blues for me too  
(mmmm do do do do)  
(mmmm do do do do)
