Well, I could just sit around
Making music all day long
Long as I'm making music
I know I can't do nobody wrong.

And who knows? Maybe someday
I'll come up with a song
That makes people wanna stop their funnin' and fight'n
Just long enough to sing along.

I believe in music, I believe in love
I believe in music, I believe in love.

Music is love and love is music
If you know what I mean
And people who believe in music
Are the happiest people I've ever seen.

So clap your hands and stomp your feet
And shake your tambourine
Lift your voices to the sky
God loves you when you sing.

I believe in music, I believe in love
I believe in music, I believe in love.

Music is the universal language
And love is the key
To brotherhood and peace
And understanding and living in harmony.

So take your brother by the hand
And sing along with me
Find out what it really means
To feel young and rich and free.

I believe in music, I believe in love
I believe in music, I believe in love...
