Those happy hours, I spent with you.  
That lovely after glow  
Most of all, I miss you so  
Mm mm your sweet caresses, each rendezvous.  
Your voice so soft and low.  
Most of all, I miss you so.

You once filled my heart  
With no regrets, no fears  
Now you'll find my heart  
Filled to the top with tears  
I'll always love you, and want you too.  
How much you'll never know  
Most of all, I miss you so

You once filled my heart  
With no regrets, no fears  
Now you'll find my heart  
Filled to the top with tears  
Mmmmm I'll always love you, and want you too  
How much you'll never know  
Most of all, I miss you so
