Ain't no chains strong enough to hold me
Ain't no breeze big enough to slow me
Never have seen a river that's too wide.
Ain't no jail tried enough to lock me
Ain't no man big enough to stop me
I'll be there if you ever want me by your side.

So love me, If your ever going to love me
I never have seen a river that too wide
I'll be there ready and a waiting
There won't be any hesitating
I'll be there if you ever want me by your side.

Ain't no road kind enough to bind me
Look for me honey and you'll find me
In any old time your ready with your charm
Cause I'll be there ready and a waiting
There won't be any hesitating
I'll be there if you ever want me by your side.

So love me, If your ever going to love me
I never have seen a river's that too wide
I'll be there ready and a waiting
There won't be any hesitating
I'll be there if you ever want me by your side...
