Even though you found another  
Even though I'm not your lover any more and I've been  
hurt  
It's not the first time you've hurt me so  
And I just want to let you know  
I'm gonna keep on loving you, loving you  
Loving you, loving you, loving you,  
Loving you, loving you,  
I'm gonna keep on lovin' you, loving you  
Loving you, loving you, loving you,  
Loving you, loving you...

I know I should stop this crying  
I would if I could  
But that's the way it's gotta be  
Oh, I can see you never want me, so let it be  
Cause I know I'll never be free  
I'm gonna keep on loving you, loving you  
I'm gonna keep on, keep on, I've gotta keep on  
I'm gonna keep on loving you  
I'm gonna keep on loving you, Oh loving you  
I said I've gotta keep on need to keep on  
I've gotta keep on loving you

I know that I can't live on dreams of yesterday  
Cause love didn't come so cheap  
And that's the price I have to pay to it  
I'm gotta keep on loving you gotta keep on loving you  
I'm gonna keep on, I gotta keep on  
I need to keep on loving you  
Oh, I'm gonna keep on loving you
