I'm gonna Lasso Santa Claus and I know just why  
because... I'm going to pull,pull on his beard , pull,pull  
to see if it's real.

I'm going to tickle, tickle him on the tummy, because  
he laughs so funny. He's so jolly & so fine when he  
comes around Christmas time.

I'm gonna lasso Santa Claus & the reason is because  
...I know a boy & girl he never comes to see. He never  
brings them toys like he does to me.

I'm gonna pop, pop Santa Claus with my water pistol  
gun squirt, squirt and then I'll take his bags of toys and  
run and bring them all the kids who don't have none.
