Hey, I'm yours Lord
Everything I've got
Everything I am
Everything I'm not.

I'm yours Lord
Try me now and see
See if I can be
Completely yours.

My life and my love
You hold in your hand
And I'll gladly devote
And enjoy your command.

Now, I know it's not much
Your gift to repay
But its all that I got
And it's all I can say.

I'm yours Lord
Everything I got
Everything I am
Everything I'm not.

I'm yours Lord
Try me now and see
See if I can be
Completely yours.

You put it aside
Desire to belong
And join in your strength
Unless we become strong.

With that thought in mind
I reach for the sky
And I lift up my voice
And read out the signs.

I'm yours Lord

Everything I've got
Everything I am
Everything I'm not.

I'm yours Lord
try me now and see
See if I can be
Completely yours.

I'm yours Lord
Everything I've got
Everything I am
Everything I'm not.

I'm yours Lord
Try me now and see
See if I can be
Completely yours...
