I can't show my face can't go anyplace people stop and  
stare it's so hard to bear  
Everybody knows you left me it's the talk of the town  
Everytime we meet my heart skips a beat we don't stop  
to speak know it's just a week  
Everybody knows you left me uhm it's the talk of the  
town  
We send our invitations to friends and relations  
advancing our wedding day  
Friends and our relations gave congratulations how  
can you face that what can you say  
Let's make up sweetheart we can't stay apart  
Don't let foolish pride keep you from my side  
How can love like ours be ended it's the talk of the town  
We send our invitations...
