(Mike Curtis - Pierre Delanoe - Gilbert Becaud)

I bless the day I found you, I wanna stay around you
And so I beg you let it be me
Don't take this heaven from one, if you must cling to
someone
Now and forever let it be me.

Each time we meet love, I find complete love
Without your sweet love what would life be
So never leave me lonely, tell me you love me only
And that you'll always let it be me.

--- Instrumental ---

And so I beg you let it be me.

Each time we meet love I find complete love
Without your sweet love what would life be
So never leave me lonely tell me you love me only
And so I beg you let it be me, let it be me...
