Well come a little baby let's jump the broomstick come
and let's tie the knot

Come a little baby lets jump the broomstick come and
let's tie the knot

My father don't like it my brother don't like it

My sister don't like it my mother don't like it

Come a little baby let's jump the broomstick come and
let's tie the knot

Goin' to Alabama back from Texarkana goin' all around
the world

I'm goin' to Alabama back from Texarkana goin' all
around the world

My father don't like it...

[sax]

Come a little baby I don't a mean maybe let's settle
down

Come a little baby I don't a mean maybe let's settle
down

My father don't like it...

[sax]

Well come a little baby lets jump the broomstick...

Goin' to Alabama back from Texarkana...
