(Jesse Winchester)

I remember not that long ago  
You cared about me and you told me so  
But now the atmosphere is cool and dry  
I get the feeling this will be goodbye.

I'll admit that you'd be wise to go  
I'll admit what you already know  
And ooh I've done you  
Like I just don't care  
You must admit that I was always there now.

Don't I make you laugh  
If I make you cry  
Don't I wipe each tear  
That I bring to your eye  
And if I break your heart  
I make all repairs  
I can fix that hurt  
'Cause boy, I put it there.

Ooh, Ooh, Ooh love is all but fair  
Gee' I wish that this was Hollywood  
Where the bad guy is bad  
And the good guy is good  
I'd be the hero in your every scene  
We'd run the bad guy right of screen now.

Don't I make you laugh  
If I make you cry  
Don't I wipe each tear  
That I bring to your eye  
And if I break your heart  
I make all repairs  
I can fix that hurt  
'Cause boy, I put it there.

Oh yes, love is all but fair  
Love is all but fair...
