(Edward Heyman - Victor Young)

Love letters straight from your heart
Keep us so near while apart
I'm not alone in the night
When I can have all the love you write.

I memorize every line
And I kiss the name that you sign
And darling then I read again from the start
Love letters straight from your heart.

I memorize every line
And I kiss the name that you sign
And darling then I read again from the start
Love letters straight from your heart...
