(J. Bristol - W. Brown - D. Jones)

Oh, when you hold me,
How you control me.
You bend and you fold me,
Anyway that you please.
It must be easy for you,
The loving things that you do.
Or just a pastime for you,
I could never be
And I never know,
If I should stay or go,
Cause the games that your play,
Keep driving me away

Don't love me for fun,
Let me be the one.
Love me for the reason
And let the reason be love.

Don't love me for fun,
I wanna be the one.
Love me for the reason,
And let the reason be love

Kisses and caresses,
Are only minor tests babe.
Love which it stresses
Between a woman and a man
So if love everlasting,
Isn't what your asking
I guess I'll have to pass then,
And finally take a stand
I can't continue guessing,
Cause its only messing
Up my pride, my mind
So right now its time to tell ya

Don't love me for fun babe,
I gotta be the one babe
Love me for a reason,
And let the reason be love

Don't love me for fun babe,
I want to be the one babe
Love me for a reason
And let the reason be love
