(DeRose - Sigman)

It's a marshmallow world in the winter  
When the snow comes to cover the ground  
It's the time for play, it's a whipped cream day  
I wait for it the whole year around.

Now those marshmallow clouds being friendly  
In the arms of the ever-green-trees  
And the sun is red like a pumpkin hay  
It's shining so your nose won't freeze.

Oh the world is the snowball, see how it grows  
That's how it grows whenever it snows  
The world is the snowball just for our soul  
So get up and roll it along.

It's a yumm yummy world made for sweet hearts  
Take a walk with your favorite guy  
It's a sugar date what a spring is late  
In winter it's a marshmallow world.

(It's a marshmallow world in the winter)  
(When the snow comes to cover the ground)  
It's the time for play, it's a whipped cream day  
I wait for it the whole year around.

(Those marshmallow clouds being friendly)  
(In the arms of the ever-green-trees  
And the sun is red like a pumpkin hay  
It's shining so your nose won't freeze.

Oh' the world is the snowball, see how it grows  
That's how it grows whenever it snows  
The world is the snowball just for our soul  
So get up and roll it along.

It's a yumm yummy world made for sweet hearts  
Take a walk with your favorite guy  
It's a sugar date what a spring is late  
In winter it's a marshmallow world.

It's a marshmallow world.  
It's a snow covered world.  
It's yummy, yummy world.  
It's a marshmallow world...
