(John Kander - Fred Ebb)

For those so fancy coloring books and lots of people do  
Here's a new one for you  
Almost unusual coloring book the kind you'll never see  
Crayons ready very well begin to color me.

These are the eyes that watched him when he walked  
away  
Color them grey  
This is the heart that thought he would always be true  
Color it blue.

These are the arms that held him and touched him and  
lost him somehow  
Color them empty now.

These are the beads I wore until she come between  
Color them green  
This is the room I'm sleeping and walking and weeping  
And hiding that nobody sees  
Color it lonely please.

This is a boy whose love I depended upon  
Color him gone...
