Although your with somebody new  
Well, that don't stop my loving you  
Somehow I can't believe, all we said is gone  
But my heart, my heart keeps hanging on.

I know I shouldn't sit at home  
But I keep thinking your gonna phone  
Somehow I can't believe, all we said is gone  
And my heart, my heart keeps hanging on.

Even though everybody tells me, I'm just a fool  
I still keep looking out the window watching for you  
I tell myself you'll wake up and see  
Somehow I can't believe all we said is gone.

And my heart, my heart keeps hanging on  
Don't you know that my heart  
My heart keeps hanging on  
Let me tell my heart keeps hanging on...
